Within the early Tudor period, different generations of scholars have tried to identify different passages of decisive change in the practices or institutions of government. From the late nine-teenth century, it was argued that the reign of Henry VII was a new beginning for the monarchy, introducing stronger and more effect-ive rule.

During the Tudor period, Parliament was transformed from a medieval into an essentially modern institution. Parliament was used to legitimise Tudor rule, to reject the authority of the Pope and establish the Anglicasn church and to effect a massive transfer of property from Church to Crown. In the process, Parliament - King, Lords and Commons - became sovereign.
