This is not an exhaustive treatise on Leica shutters or their repair but a description of some techniques that I have not seen published elsewhere. You should have at least a fundamental understanding of focal plane shutters and general camera repair techniques, and I assume that you have opened, cleaned, and lubricated the camera that needs the new curtains. The details described here will ...

LEICA CAMERA REPAIR HANDBOOK - Google Sites

Leica Camera Repair Handbook is a good book, it is not for begginer or professional, I think it is target for hobbist, but in this book it miss some important things, like how to replace the shutter curtain - a very common problem in old screw mount Leica, it did mention about the rangefinder problem a good plus. I have bought many repair books that wroten by him. Read more. Helpful. Comment ...
