Poverty Knowledge gives the first comprehensive historical account of the thinking behind these very different views of "the poverty problem," in a century-spanning inquiry into the politics, institutions, ideologies, and social science that shaped poverty research and policy.

Poverty Knowledge: Social Science, Social Policy, and the ...

Her main argument in the text is that poverty knowledge was initially understood through the use of macro-explanations, with a focus on the economic and social structures that affect poverty, but over the course of the twentieth century, social scientists moved towards an understanding of poverty knowledge in terms of micro-explanations, with a focus on the individual as the cause and solution of poverty.

Poverty Knowledge : Social Science, Social Policy, and the ...

In the self-consciously behavioral, psychological drift of postwar social science, poverty knowledge was becoming at once more global and more individualized. In many important respects, though, local communities, especially urban neighborhoods, remained essential venues for producing and applying poverty knowledge during the immediate postwar decades.
