15 Super Weird, Easy-To-Learn Skills That Always Impress ...

One cautionary note: There's making your job sound impressive and meaningful—and then there's boasting. If you puff up recognizable positions with over-the-top language, it can really backfire and make you seem silly. The hiring manager will know what it means if your job title is "assistant" or "manager" and aggrandizing the position's responsibilities with inflated language won't help you ...
