Territory, Authority, Rights: From Medieval to Global ...

Starting from an assumption that all societies are organized around specific "assemblages of territory, authority and rights" or "TAR", she traces the development of three historic periods or modes of assembling TAR: the medieval, that national, and the global.

Territory, Authority, Rights: From Medieval to Global ...

seems to agree. Her new book, Territory, Authority, Rights: From Medieval to Global Assemblages, sets out to dispel the myths peddled by both sides of the increasingly fractious globalisation industry: that globalisation is a process which has torn asunder the very foundations of modernity, or that the term is no more
