"Vision is the art of seeing what is invisible..." - Jonathan Swift quotes from BrainyQuote.com

Jonathan Swift - Vision is the art of seeing what is...

Quotes from The Art of Seeing... "Most events in consciousness are built from culturally defined contents as well as from personal meanings developed throughout an individual's life. Thus, two persons can never be expected to have the same experience, and the farther apart in time and place they are, the more the details of the two experiences will differ." — 0 likes

The Art of Seeing: An Interpretation of the Aesthetic ...

Judging by the title, you may hope that the Art of Seeing has to do with how to be more perceptive in the world or something to that effect, but it is literally about how to improve failing vision. Huxley is hooked on something called the "Bates Method" named for the doctor that invented it.

The Art of Seeing by Aldous Huxley

You are not alone if the art of seeing has escaped you! As is often the case, most photographers have no idea how to interpret the world around them. Trying to get it all into a single frame is part of the problem. The other part is not knowing the vision of your lenses, as well as being averse to considering different points of view. ...
