### The Art Of War Chump

The Art of War is more than a military handbook, it encompasses the subject of "conflict" more than actual military war. It was meant to be as useful to a mother trying to get her child to go to bed, as it is for a general about to engage in a troop movement. This is not actually a terrible version, its just chopped up and weirdly tiny.

Vanguard games always last 5 or 6 rounds, so if you can make your opponent's key models waste a turn or two dealing with chump blockers, that can be a huge tempo swing in your favor. (If you play regular Kings of War, this will all be conceptually similar to chaff, however thanks to the extreme mobility of Vanguard units and the smaller base sizes they play a bit differently.)
