### What's Working: Purpose + Profit

"The purpose of people-centered, mission-driven business is to serve people in profitably fulfilling a mission." Packed into that statement is a lot of nuance, so let's break it down. What is the Purpose of Profit? Profit is a wonderful driver of efficiency. The quest for profit is also a powerful stimulus to value creation in our economy.

### The Purpose of Profit

Business is a deeply human institution, but its purpose is not to make as much money as possible. The purpose is something else. We need to put purpose back into capitalism because business is primarily about purpose and creating value for stakeholders — money and profits follow. Business and ethics go hand in hand.

### Is Profit the Purpose of Business? - Darden Ideas to Action

Focusing on impact or purpose is a great way to help your business stand out from the crowd, and it allows you to offer a unique selling proposition your customers will find compelling.

### 3 Big Reasons Why Purpose Leads to Profits | Inc.com

Here profit is showing that we are using fewer resources by dumping unsorted than by sorting. This is a good thing, profit is telling us that we are being more efficient: and more efficient with our scarce resources means that we get more out of whatever resources are scarce. In short, profit is showing us what makes us richer.

### The purpose of profits — Adam Smith Institute

A "Profit for Purpose" business is "led by a mission to achieve social, community and environmental benefit through trading and by channeling a portion of their profits toward their mission. " 2 It is considered a strong business model "where these two goals intersect successfully—where both social and economic value creation result." 4

The statement "on the purpose of a corporation" effectively declared that businesses' obligation is not just to generate profit, the accepted wisdom in America for a half-century, but also to do ...

### Is profit the only purpose of business? - Times Union

Profit is an output, not a purpose. A business must have reason to exist beyond that of making money and maximising shareholder value. Profit cannot be the goal, vision, or the purpose of an organisation. An organisation that posts great year end results doesn't automatically earn the title of being a great company.

### Purpose beyond profit - Stocker Partnership

Nonprofit Purposes A nonprofit organization may be formed for any legal purpose under most state laws, as long as it does not pass its profits on to its members. However, in order to qualify for favorable tax treatment and gain certain other benefits, it must limit its purposes to those allowed in the Internal Revenue Code (I.R.C.).
