### Waking Up Alive The Descent

Waking Up Alive: The Descent The Suicide Attempt and the Return to Life is a book about suffering and the relief of suffering. "It's hard to imagine a hopeful or inspiring book on suicide," writes the San Francisco Chronicle, "until you begin reading the astonishing Waking Up, Alive." True, the words around these 50 people before they tried to kill themselves were often ones like "acutely depressed," "isolated" "in unbearable pain" and "suffering in quiet desperation ...

I have mixed feelings about this book. For many readers the information contained in Waking Up, Alive will be extremely useful. Without falling into clinical terminology, the author describes very well what is happening from the suicidal "trance" to the point of recovery and beyond. But I also found the structure of the book repetitive and ...
